By LadyDragon

MONTREAL--(LadyDragon.com) 07/17/13--11.14am EST, LadyDragon wrote -This article explains what is The Event and how to prepare for it by LadyDragon and Cobra.

Please Prepare for THE EVENT

What is THE EVENT?

THE EVENT is where you will see on your television a MASS ARREST of bankers, financials and other people including the bad aliens who have been working together in order to enslave humanity.

Yes, I said ALIENS.

There are good and there are bad aliens.

Welcome to your new reality :)

The Good Aliens have been working in tandem with Secret Sacred Societies in order to remove the bad aliens from this planet in order to free us from their enslavement.

For those who are new to this, if this is a shock to you, well that is peanut what I just said :)

When THE EVENT happens, many, and I mean many, people will fall off their chairs in total shock on how they have been lied to.

The horrible truth of what they have done to us will come to light.

This is why we have made this article in order to guide you to positive actions :)

ARRESTS ARE IMMINENT

The first thing to do is to prepare yourself in case of major disruptions. Although disruptions are not foreseen, it is better to be prepared, just in case. :) Make sure you have food, water and anything else for at least 1 week. Form an emergency group where you can help put the word out about the TRUTH.

When THE EVENT happens;

What to know

1. Bankers/Illuminati/dark cabal/Government have been running the world and doing bad things.
2. White hats including old money, military, veterans, federal marshals, and local law officials are going to arrest them.
3. Media may say it is martial law and try to spread panic, but the actions are lawful and benefit humanity.

4. International travel might be stopped for 3 days. Some facilities wired to explode will be off limits for safety.

What to do

1. The goal is to transition peacefully and safely. There will likely be disruptions in local travel, food supply, water supply, and electricity.
2. Make sure you have necessities for 72 hours and ideally 30 days.
3. Remain calm. Support the troops and law officers that are arresting thousands of criminals guilty of heinous crimes against us all. Research stories on the internet to assure yourself that the arresters are good and the arrestees are bad.

What not to do

1. You are going to find out that the cabal have done terrible things to you, your family, and humanity.
2. Don't believe that every one of them is as guilty as the leaders.
3. Some were forced to act and were threatened with torture.
4. Do not panic.
5. Do not riot.
6. Do not run into a bank and start shooting people.

Just be calm and work together to meet the needs of your community.

THE EVENT will happen like a thief in the night no one knows when so just be prepare for it LadyDragon is here, on the cutting edge of knowledge, to report to you the TRUTH.

Below is a very detailed description of what to expect during and after THE EVENT according to Cobra

Earth and the inhabitants have been in 25,000 years of imprisonment and quarantine (black hole).

We have been controlled and manipulated by the dark side or as we call them 'the dark cabal'. We are now to exit the black hole after 25,000 years of prison.

Our planet is the last one in the galaxy to be liberated. This exit is the EVENT HORIZON, or THE EVENT.

THE EVENT will be a moment of breakthrough for the planet which will be physical and non-physical.

On the non-physical plane there will be a big wave or flash of Divine energy and light coming from the Galactic Central sun going towards the surface of the planet. (The galactic central sun is an object in the Sagittarius constellation.)

It will be a flash or special kind of light from the Sun that permeates the earth and humanity. It will calm humanity in the light of love energy and end duality.

It's a magnificent energy not seen or felt before on earth.

Everyone on earth will feel and know something has happened. It will be a surprise as to when it will happen, even for us. It's never happened before.

- It will not be a major shock event. It will be a positive event.
- On the physical plane there will be.
- The arrest of the dark cabal (already started)
- The res-set of the Financial Systems
- Disclosure: the release of Hidden truth/events including ET information
- The beginning of a new fair financial system with prosperity funds for all.
- NEW Government/Political system, Education system, Health care system, History lessons, etc. etc.
- Awakening of humanity slowly and gradually to the existence of positive non-terrestrial races and our galactic connections.
- Introduction of new advanced technology.
- The release of spiritual growth and healing for every human being on the planet.
- There is much, much more to look forward to.

What Can You Do "Before the EVENT"

We are about to enjoy both a non-violent liberation of the planet along with a bright and beautiful future for ALL of humanity.

Since we do not know the exact day of the event (it will be soon), it would be wise to follow a few simple rules of precaution:

- Keep an extra two weeks of food on hand starting now.
- Make sure you and your loved ones have an up to date supply of any medicines that might be required.
- Keep extra cash hidden away at your home.
- Gas up your vehicle when the tank is ½ empty.
- Stay in touch with this website for updates.
- Educate yourself, friends and family members.
- Join one of the 6 task force areas on this web-site and assist in the liberation of our beautiful planet.
- Get together in groups each Sunday and do the Planetary Liberation Meditation and focus on bringing in The Divine Goddess Energy. Info on www.2012Portal.blogspot.com

What to expect Financially "AFTER The EVENT"

Vision for New Financial System: Transition from the Old Financial System to the New Financial System.

The current Financial System is malfunctioning and is being replaced with a new financial system. Do not panic. This is a good thing. Your needs will be provided for. As with any major change, the first few days are always the most confusing. Since all major TV networks, Internet, newspapers, and radio stations will be broadcasting quality information about The EVENT you can expect to become more and more comfortable as the day moves along. Below are instructions for the first 14 days.

Day 1 - within minutes of THE EVENT happening

(The Divine Galactic energy pulse).

All banks will temporarily close – no access to banks for 3-7 days (up to 14 days).

All credit cards and ATM machines will be temporarily disabled (up to 14 days).

The reason for this is to cut off access of funds to the illegal owners of the central banks around the world, known as The dark cabal.

Most businesses will be encouraged to stay open, and continue to accept cash and checks as they would in their normal course of doing business. Checks will clear as soon as the banks reopen. (1-2 weeks after THE EVENT).

EVENT Voucher Template

If you do not have access to cash, and are in need of basic necessities which cannot be accessed through friends, family, community or emergency services, a voucher system will be set up in order to pay for goods and services.

**This is not free money. This is basically a loan to you for up to \$1000, which may be used from the day of the event for food, medicines & necessities until such time that the banks re-open. After that they become null and void, and you will be charged for the amount used.

**Businesses will be compensated for legitimate vouchers which they then can process through any bank. Those people who elect to use vouchers to purchase goods and services will be responsible for re-payment either through their bank, or as an offset against future earnings/compensations.

Day 2 – 14+

1. All currencies will still be alive
2. There will be a financial re-evaluation after the Event
3. There will be transparency accounting with banks that reopen.
4. Interest charges will stop.
5. Fractional banking will cease.
6. The IRS will be dismantled immediately.
7. All Banks with strong ties to the dark cabal will be bankrupt.
8. The Federal Reserve will be dismantled immediately.
9. All debts will not be forgiven, meaning if you used credit cards to buy goods thinking your debts were forgiven, that will not be acceptable.
10. Food, shelter, and technology will be available for everyone.
11. No gold will be traded on the open market.
12. There will be no more homeless people.
13. There will be no more stock market.
14. Money in bank accounts will be frozen from reset to the new bank system (3-14 days). If funds were acquired legally, then the money will be kept.
15. The dark cabal's money is illegal and will be seized.
